

For immediate release:

In these times of uncertainty, you want stability.

Standing as a beacon of strength in these challenging economic times, Fleetwood Group is financially strong and committed to serving our partners with quality products, on-time deliveries and stellar customer support.

Financial Strength | Fleetwood Group based in Holland, MI is a company with a 54-year history of innovative products and exceptional customer care. Fleetwood Group is debt-free, profitable and has sufficient cash reserves to continue to innovate and grow in this marketplace. In fact, Fleetwood Group has seen 70% growth over the last 5 years while both divisions, Educational Furniture and RF Wireless Electronics, are healthy and expanding.

Quality Products | Fleetwood Group has staked its reputation on quality products. With over 2 million wireless devices in the field, customers experience Fleetwood Group's world class quality and reliability every day. Customers can count on Fleetwood Group for durable products that are delivered on-time and will last for decades.

Innovation | Fleetwood Group began with a novel idea to create mobile classroom furniture and 54 years later, continues to bring creative thinking and new ideas to product lines. Fleetwood Group has been granted 12 patents with another 14 applications pending, always ready to deliver fresh ideas.

Fleetwood Electronics is a division of Fleetwood Group: a Christ-centered, employee-owned company with a rich history of success.
